## **WINTER SCHOOL CLASSES**

Classes are held for CECCHETTI syllabus levels from Grade 4 to Advanced 1 and are conducted by our highly esteemed and respected New South Wales Cecchetti examiners

To enrol, students must have a working knowledge of the syllabus, but do not have to be taking the particular examination this year.

Winter school also provides students with the opportunity to work with students from other schools in a relaxed atmosphere without the pressure of schoolwork.

## **STRETCH AND LIMBER**

These classes are conducted by guest teachers. As flexibility is an essential element of modern classical technique, these classes' aid students in developing strength, extension, flexibility and body awareness and increase their ability to dance well.

## **TEACHERS REFRESHER**

Also planned is a Teacher's Refresher session in addition to attending Winter School  
Wednesday 11<sup>th</sup> July **2.30 – 4.00 pm**  
*(Topic to be advised)*
