AUDITION PROCESS AND RULES

1. Please complete the National audition form.
2. The State Audition process will consist of a 'class' and the performance of the 1st solo (Silver candidates) and the set solo – Peasant Pas de deux (Giselle Act 1), (Gold candidates). Where eliminations occur after the first solo, only those remaining will be required to perform their 2nd solo. In the event of no eliminations after the first solo, ALL candidates MUST perform their 2nd solo.
3. Your State will provide 2 impartial adjudicators and teacher(s) – not necessarily Cecchetti people. This class will be based on the Cecchetti work and style.
4. Uniform colour and style for the State audition class to be set at State's discretion.
5. Gold Candidates – The solo chosen and performed at the State audition must also be performed at the National Award. (see item 16)
6. Previous National winners (not runners up) may **not** re-enter the same National LSMA level.
7. Silver candidates must be under 15 years of age as at the 1st January in the year of the competition, and have passed Cecchetti Grade 5 or above. **Only eligible candidates may participate in the audition process (class and solos).**
8. Gold candidates must be under 18 years of age as at the 1st January in the year of the competition, and have passed Cecchetti Intermediate or above. **Only eligible candidates may participate in the audition process (class and solos).**
9. **All** entries must be accompanied by a copy of the most recent examination certificate and/or the latest examination report. (see item 14)
10. **All** candidates must be currently attending Cecchetti classes with a Registered Cecchetti Teacher **at least once a week.**
11. Teachers may only enter students in the State in which **the teacher** is registered. Where a student is taught by multiple teachers, in multiple States, the student must align to only one teacher and this must remain constant for following years of entry in to the National LSMA.
12. Entry to the LSMA is with the understanding and agreement that the event will be filmed and may be sold for no profit to the teachers or candidates.
13. Costume requirements to be sourced and supplied by the candidates with the exception of the ½ tutu and romantic skirt
14. LSMA application forms must be signed by the student, parent/guardian, and the teacher and forwarded to the **STATE LSMA REPRESENTATIVE** who must check the entries and forward all the relevant documents to the National Office prior to 1st June in the year of the competition. The following documents must be submitted by the candidate:
 - i) Certificate or report form from their last examination.
 - ii) The application form with all relevant sections completed.
 - iii) Costume order form for Gold candidates (if necessary)
15. The cost of the audition and the option to open the audition to an audience is at the discretion of the State.
16. Candidates must adhere to the designated variations for Silver solos and the **Set** Gold solo; failure to do this may cause the candidate to be disqualified. These solos must be checked by members of the State Committee prior to the National Award. Gold candidates must perform the same solo at **State and National level.**
17. From the State's audition process, 2 candidates at each level may be chosen to **equally** represent their State at the National LSMA.
18. Those chosen to represent their State will not receive any further awards from their own State but have the honour of representation. Funding for travel is at the discretion of the State.
19. Cut-off date for emergency candidate substitution is 14 days prior to the LSMA competition performance night.
20. The Lucie Saronova Memorial Award CD is available for purchase from the National Office. Cost \$35.20 (including GST) plus postage. A limited stock of DVDs is available from the National Office for purchase.
